HOPE TO CONCILIATE WATSON.

CHICAGO, ILL., October 16 .- Thomas E. Watson's message to a Topeks Populist declaring the fusionists had abandoned principle in a mad rush for the pie counter has caused consternation at the Democratic and Populist headquarters in this city. Manager G. F. Washburn, in charge of the Populist headquarters, and H. W. Reed. Mr. Watson's personal representative on the Populist National Committee, left for Georgia to-night to head off their candidate. Mr. Washburn doubts the authenticity of the telegram. He says if Mr. Watson really sent such a message he probably had reference to Kansas only, where the Populist indorsed straight Bryan and Sewall Electors in return for the indorsement by the Democrats of the Populist State ticket. Manager Washburn resents the charge by the local press that he has been called down by Chairman Jones, of the Democratic Committee, and Chairman Butler, of the Populist Committee, for persisting in demanding the substitution of Watson for Sewall on the national ticket.

"This is just as malicious a lie," he said, "as the statement that our Executive Committee submitted its report to Chairman Jones before issuing it to the public, or that Jones has authorized our committee to make any overtures in the way of a Cabinet position or otherwise to Mr. Watson 'to secure his silence.

"From the beginning, I have insisted upon the right of our candidate, Mr. Watson, and shall continue to do headquarters in this city. Manager G. F. Washburn, in charge of the

Lime, Plaster, Hair, etc., La Crosse Lumber Co SLID DOWN PIKE'S PEAK.

Railway Foreman Marsh Killed While

Traveling on His Coaster. DENVER, COLO., Oct. 16 .- H. C. farsh, foreman of the summit section of the Pike's Peak railway, was killed this afternoon while coasting down the right of way on a railroad toboggan that he had constructed for rapid descent from the peak. He collided with a passenger train, which had left the ummit ahead of him, because he was anable to stop his sled through his rake getting out of order. He leaves a widow and child at Dar-

attention at first. This sore refused to heal, and after a while became quite obstinate, and began to grow. I placed myself under the treatment of prominent physicians, who said I had cancer of the most stubborn type, and though I took their treatment faithfully, the cancer grew steadily all the while, increasing is size and severity. I also took nearly every medicine that was recommended for the blood, and applied various salves and ointments, all without the slightest benefit. Year by year, I found myself steadily growing worse, for the cancer was sapping my life away, although I spent hundreds of dollars with doctors, and as much more experimenting with various so-called remedies. I was strongly urged by the doctors to submit to an operation, which they claimed was the only hope for me.

"I had well-nigh abandoned hope of ever being curred, when I was induced to try S. S. S., and even the first bottle afforded relief. The medicine caused the cancer to discharge, thus forcing out the poison, and ridding the sysington, Mo., and was one of the oldest employes of the company. The coaster was of his own contrivance, and has been frequently used for the purpose of making rapid trips to Manitou for supplies, the return being made on the
